

CALM Act Certification

This is to certify that:

1. All commercial advertisements embedded in programs carried on the programming service currently known as *MSG Network* are in compliance with the loudness control practices contained in Advanced Television Systems Committee (ATSC) A/85: Recommended Practice: Techniques for Establishing and Maintaining Audio Loudness for Digital Television ("ATSC A/85 Recommended Practice") at the point of distribution by *MSG Network* to authorized reception equipment of downstream multichannel video programming distributors.
2. Compliance with the ATSC A/85 Recommended Practice is determined by *MSG Network* through the use of equipment and associated software that is installed, utilized and maintained in a commercially reasonable manner.

Executed this 13th day of December, 2012

MP By: 
Name: Jerry Passaro
Title: Senior Vice President, Network Ops and Distribution
